

Policy for Admitting Members Who Are Candidates for an Elected Office – Approved June 29, 2026

- Candidates running for an elected office can apply and their application will go through the standard membership process. If approved, they will be admitted as a full member of the club. However, their induction (formal introduction to the club) will not be held until after the election.

Membership App includes question: Are you actively seeking any elected position at the city, county, state or national level during the next election cycle?
